3. Upcoming Events

Sunday	Date Change February 12, 2017	Mandatory Trg Day - Sports	0800 - 1700
Sunday	March 5, 2017	Mandatory Trg Day - Orienteering	1800 - 1700

Secondary School Community Service Hours: We are tracking attendance at the Remembrance Day parades and ceremonies so that cadets may record the community service hours they participate in (cadets are to see their Divisional Officer when they need their form completed and attendance will be verified).

Dress for Parades – clarification: For all parades, cadets need to be dressed in their C1 Uniform (full parade dress uniform), black pants and tunic, gunshirt, white cap, lanyard, polished boots, cadet winter parka, plain black (issued) gloves and wool socks for warmth and to prevent blisters (can be worn over a thin pair of cotton socks if wool is a concern). In cold temperatures, cadets may wear their issued black cadet toques to and from locations and bring their white top to wear during parades. It is a good idea to always keep the toque and gloves in the parka pockets so they are available when needed. Cadets who have not yet been issued a uniform can wear civilian clothing with a warm coat, hat and gloves.

Health Cards and Medication: Cadets must have their valid Ontario Provincial Health Card with them in the event they require medical attention during a cadet activity.

Part III – Policy, Protocol and Updates

1. Reminder - Cadets need to attend most Tuesdays and weekend events to complete training requirements for rank promotions. Cadets can request to be marked 'excused' rather than 'absent' if unable to attend due to family or school commitments. **If an unexpected event or illness prevents cadets from attending please call the office 519 433-2933.** This is the only way other than through a Request Form (paper or online website submission) ahead of time to be marked excused.

2. Civilian coats are **not** to be worn over the uniform and cadets are responsible for your parka.

3. Supply requests:

- a. **Emergency supply exchanges** can be done Tuesday before Colours or right after Sunset.
- b. **Non-emergency supply exchanges** are done by appointment on Thursday evenings or Sundays. If cadets need to exchange items that require try-ons or fittings, talk to your Divisional Officer and fill out a request form so that an appointment time can be scheduled with Supply staff.
- c. **Supply is not open during Training on Tuesday evenings other than for new cadets.**
- d. New cadets will be scheduled for uniform fitting and issue appointments and will receive the parts we have available in stock (based on sizing). See your Divisional Officer for details.

4. Reminder to always check Routine Orders for what to wear. The table below outlines general guidelines to follow (unless something different is posted in ROs):

Part IV – Notices/Announcements

1. There have been numerous updates to the Corps Website www.londonseacadets.com - be sure to check the Calendar, Announcements, and Resources. A new Online Request Form has been added that cadets can submit for uniform/supply or any other Divisional request like attendance.

2. **Annual Cadet Medical Validation – The deadline for this annual validation was 30 Nov 16.**

- a. All cadets must complete an annual medical validation for training year 2016-17.
- b. The Annual Medical Validation is required according to the question **“Have there been any changes to the cadet’s physical, medical or psychological condition, including medication, since the last verification”**. If the response is 'Yes', a new Detailed Health Questionnaire (DHQ) is required. If the response is 'No' then a DHQ is not required.
- c. All DHQs must be printed from Fortress (the cadet administrative system). Only a parent or legal guardian that is identified in Fv2, or an 18-year-old cadet can answer the annual validation question “has anything changed” and/or complete, sign and submit a DHQ. The RCMLO requires the original copy of all DHQs to be sent by mail to RCMLO, RCSU Central, CFB Borden, Borden ON L0M 1C0. DHQs can no longer be faxed to the RCMLO office so it is imperative to get these completed before the Nov 30 deadline.

3. **Provincial Medical Insurance Validation** - We are going through the review process to ensure each cadet has valid and current provincial medical insurance on file (OHIP Expiry date). By policy, a cadet cannot be enrolled/ retained in the cadet program unless proof of medical insurance is provided and recorded in Fortress.

4. Looking ahead - 2016 - 2017 remainder of events for the training year:
