

Dear Parents and Guardians of the Royal Canadian Sea Cadets,

The London Branch of the Navy League of Canada are volunteers committed to helping make the Sea Cadet and Navy League Cadet programs in London a success. We are excited to announce the upcoming Fall Tag Days in October 2025. This is one of the most important events of the year, as the funds raised directly support your program — helping cover costs for special activities and transportation, band instruments and music programs, as well as recognitions and awards for our cadets.

What is Tagging?

Cadets, in uniform, will be stationed at local businesses and community locations. They will hand out tags and be available to accept donations from the public. It's a great way for cadets to represent the program, practice confidence, and engage with their community.

Cadet Participation & Safety

We encourage all cadets to take part by signing up for at least one shift representing the best of the Navy League in the community! Sea Cadets will require a parent to stay with them for the duration of each shift. Cadets will be supervised by officers or screened volunteers. Safety is our top priority.

Parental Support

Parents play an important role in making this event a success. We ask for your help with:

- Driving and volunteering to support your cadet.
- Encouraging your cadet to participate and do their best.

We thank you in advance for your support. Tagging not only raises the funds we need to keep our program strong but also teaches cadets the value of giving back to their community. Together, we can make this event a success. Please encourage your child to sign up, sheets will be available on deck. Parents participating, please contact Sea Cadet Corps staff at 37sea@cadets.gc.ca or 519-433-2933.

Sincerely,

Marjorie Curet
